

Limitation of Liability

MidAtlantic Farm Sensors llc provides this equipment under the following understanding between our firm and our customer.

- The limit of our liability is the cost of the equipment.
- We are not responsible or liable for loss of any kind, including but not limited to damage to production, livestock or equipment resulting from use of our equipment, software or service.
- Sensors, gateways and software are not 100% reliable.
- Equipment is susceptible to damage from water, overheating, humidity, infestation by insects, and electrical storms.
- Connections to the internet can become disrupted due to equipment failure, power failure and signal interference.
- Servers hosting the software may go down for maintenance.
- We work with our farmer clients to insure that equipment is used properly and protected from the environment as may be necessary.

MidAtlantic Farm Sensors llc, stands behind the products we provide farmers. If you ever have a problem, please contact us. We will work with you to address your concerns.
